
sphinxcontrib-contributors **Documentation**

Release 0.0.1

Lindsey Heagy

July 31, 2016

Contributors

Authors: ['lheagy'] | **Reviewers:** ['simpegbot']

A sphinx extension for attributing project contributors including authors, reviewers and editors of projects.

Contributor information is provided in json format, in a file called *contributors.json* which is at the root of your docs.

```
1 {
